OMNIRES

CONTOUR | tall basin mixer

Finish: brushed gold (GLB)

The OMNIRES CONTOUR collection intrigues with its extravagant form and decorative details. An austere, architectural design with a diamond milling marvels with the sophisticated combination of textures and perfect workmanship.

Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge. Innovative technological solutions reduce water consumption by 50% while offering comfort and ease of use.

Brushed gold is a noble finishing in an elegant shade, with a contemporary, satin surface. The product is coated using the advanced PVD technology.

Design: Paulina Shacalis, OMNIRES Studio
Awards: Red Dot Design Award, Must Have
Distinctions: Dobry Wzór

Certificates: Polish Declaration of Performance (B marking)

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch. The stream does not spray and it is quiet and consistent, even if any variations in water pressure occur.

The product is coated using the advanced PVD technology which guarantees highest possible durability, offers exceptional resistance to damage and facilitates cleaning.

Dziesięć lat gwarancji na szczelność korpusu w bateriach łazienkowych.

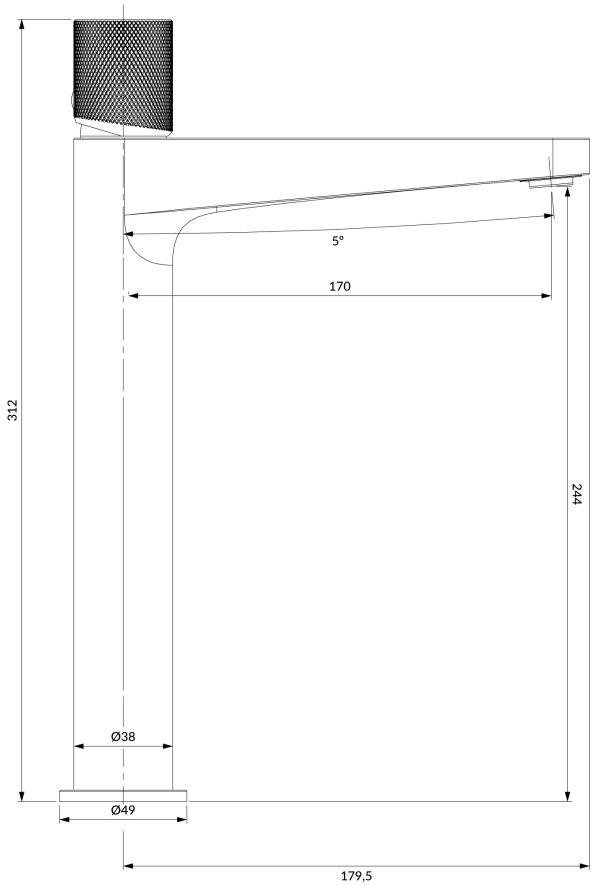
The ECO WATER technology minimizes environmental footprint by reducing the water consumption by approx. 50%, without compromising on the overall product experience.

The EASY CLEAN aerator allows the user to easily remove any limescale build up by simply wiping its silicone surface.

The mixer's body, the valve and the rosette are all made of high quality A-grade brass.

Flow characteristics

- hot water supply: max. 90 °C
- working pressure 1-6 bar
- noise class: I

Specification


- spout reach: 17 cm
- water outflow height: 24.5 cm
- total mixer height: 31 cm
