

ARMANCE | 4-hole bath mixer

Finish: brushed brass (BSB)

The OMNIRES ARMANCE collection features modern form with creative references to traditional style. It stands out thanks to its perfect design, decorative details and its romantic aesthetics.

Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge.

Brushed brass is a sophisticated finish with a cool gold hue and satin brushed surface. The product is coated using the advanced PVD technology.

Certificates: Polish Declaration of Performance (B marking), Polish Hygienic Certificate PZH

Technologies

High quality ceramic and thermostatic cartridges ensure smooth and precise water flow control, whilst guaranteeing safety and long term product performance.

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch. The stream does not spray and it is quiet and consistent, even if any variations in water pressure occur.

The EASY CLEAN nozzles allow the user to easily remove any limescale build up by simply wiping their silicone surface.

The bath mixer with the integrated SMART FIX system allows for the shower hose to be easily replaced, if desired, without the need to dismount the bath.

The product is coated using the advanced PVD technology which guarantees highest possible durability, offers exceptional resistance to damage and facilitates cleaning.

The mixer's body, the valve and the rosette are all made of high quality A-grade brass.

Dziesięć lat gwarancji na szczelność korpusu w bateriach łazienkowych.

Flow characteristics

- water flow at 3 bar: 26 l/min
- hot water supply: max. 90 °C
- working pressure 1-6 bar
- noise class: II/II
