

PARMA | 4-hole bath mixer

Finish: chrome / white (CRB)

The OMNIRES PARMA collection stands out with its minimalist, elegant design. A well-balanced form with rounded edges proves light and subtle. Well thought-out solutions give the collection a timeless character.

Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge.

White and chrome is a novel composition of flawless surfaces, which renders a versatile effect and a light look.

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

Bath mixers with the integrated SMART FIX system allow for the shower hose to be easily replaced, if desired, without the need to dismantle the bath.

The EASY CLEAN nozzles allow the user to easily remove any limescale build up by simply wiping their silicone surface.

The product is coated using the advanced electroplating technology which guarantees durability, offers good resistance to mechanical damage and facilitates cleaning.

The mixer's body is made of high quality A-grade brass.
