

Y | 5-hole bath mixer for concealed installation

Finish: brushed graphite (GR)

The OMNIRES Y bath mixer for concealed installation with integrated hand shower thrills with its simple line and an impeccable form which expresses the passion in pursuit for the ideal. The design has been inspired by and based on the shape of a circle. Its timeless and perfectly refined design, created in the spirit of minimalism, offers the maximum of interior design options. A spout with an appropriate length ensures comfortable use even in smaller spaces and thanks to its symmetric form, the bath mixer and the bath are perfectly tuned, creating a harmonious composition. The concealed installation guarantees the economy of space and the ease of cleaning.

Graphite is an intriguing finishing in the shade of metallic grey, with a satin, brushed surface.

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch. The stream does not spray and it is quiet and consistent, even if any variations in water pressure occur.

The mixer's body, the valve and the rosette are all made of high quality A-grade brass.

Flow characteristics
