SHOWER ELBOW | adjustable shower elbow

Finish: polished chrome (CR)

The shower elbow with an adjustable holder is designed for concealed mixers, providing a functional and refined finish to the shower area. The movable holder allows the angle of the hand shower to be easily adjusted for comfortable positioning according to individual preferences. Made of brass for durability and reliable everyday use, it also features a protective insert that provides additional stability and protects the hand shower from scratches.

Polished chrome is a versatile finish in a silvery colour, with a perfectly smooth and lustrous surface.

Certificates: Polish Declaration of Performance (B marking), Polish Hygienic Certificate PZH

Technologies

The product's coating, made using advanced galvanization technology, is durable and easy to clean.

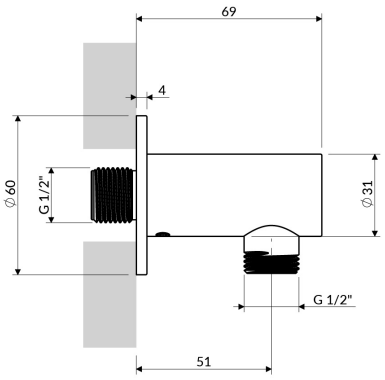

The product is made of high quality A-grade brass.
