SHOWER ELBOW | adjustable shower elbow

Finish: brushed graphite (GR)

The shower elbow with an adjustable holder is designed for concealed mixers, providing a functional and refined finish to the shower area. The movable holder allows the angle of the hand shower to be easily adjusted for comfortable positioning according to individual preferences. Made of brass for durability and reliable everyday use, it also features a protective insert that provides additional stability and protects the hand shower from scratches.

Brushed graphite is an intriguing finish in a metallic grey shade, with a satin surface.

Certificates: Polish Declaration of Performance (B marking), Polish Hygienic Certificate PZH

Technologies

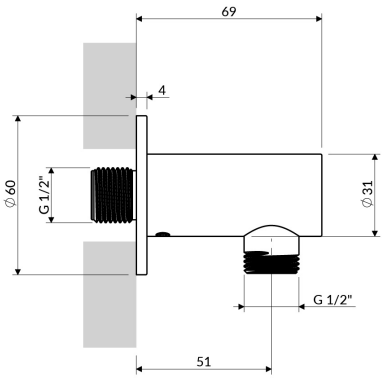

The product is made of high quality A-grade brass.

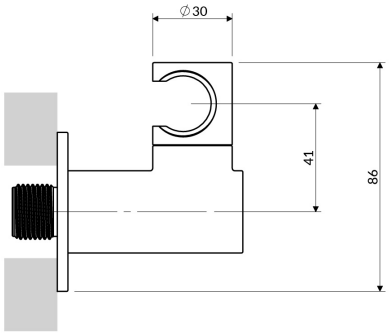

Flow characteristics

- water flow at 3 bar: 30 l/min
- working pressure 1-5 bar
- Acoustic group: U
- Flow rate class: C

Specification

- brass
- with a hand shower bracket with adjustable tilt angle
- rosette dimensions: ø6 cm, distance from the wall: 6.9 cm
- protective insert
