OMNIRES

ANGLE VALVE | angle valve

Finish: brushed antique bronze (BR)

The OMNIRES angle valve is distinguished by its clean lines and minimalist design. Its perfectly balanced, circle-inspired form offers an aesthetic that is both modern and timeless. Crafted from brass, it guarantees durability, corrosion resistance, and years of reliable performance. The integrated filter captures fine impurities from the water system, providing the mixer with enhanced protection.

Finished to match the mixer, the valve blends seamlessly into the bathroom interior, serving not only as a practical component but also as an elegant design detail.

Antique bronze is an original finish with a brown-gold hue and a brushed vintage texture.

Technologies

The product is made of high quality A-grade brass.

Flow characteristics

- working pressure 1-5 bar

Specification

- brass
- with filter
- water connection: 1/2”, hose connection: 3/8”
- rosette dimensions: ø5.2 cm
