

Y | basin mixer for concealed installation with long spout

Finish: graphite (GR)

The OMNIRES Y collection thrills with its simple line and an impeccable form which expresses the passion in pursuit for the ideal. The design has been inspired by and based on the shape of a circle. Its timeless and perfectly refined design, created in the spirit of minimalism, offers the maximum of interior design options, while the extended spout makes it ideal for larger basins or those fitted away from the wall.

Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge. Innovative technological solutions reduce water consumption by 50% while offering comfort and ease of use.

Graphite is an intriguing finishing in the shade of metallic grey, with a satin, brushed surface.

Design: Janusz Langner, OMNIRES Studio

Certificates: Polish Declaration of Performance (B marking), Polish Hygienic Certificate PZH

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

The ECO WATER technology minimizes environmental footprint by reducing the water consumption by approx. 50%, without compromising on the overall product experience.

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch. The stream does not spray and it is quiet and consistent, even if any variations in water pressure occur.

The mixer's body, the valve and the rosette are all made of high quality A-grade brass.

Dziesięć lat gwarancji na szczelność korpusu w bateriach łazienkowych.

Flow characteristics

- water flow at 3 bar: 7 l/min
- hot water supply: max. 90 °C
- working pressure 1-5 bar
- noise class: I

Specification

- rosette dimensions: $\varnothing 7.2$ cm
- spout reach from tiled surface: 19-21.5 cm (dependent on the installation depth of the mixer in the wall)
- minimum wall depth: 4.5 cm
- ceramic cartridge: $\varnothing 25$ mm
- built-in parts included
