

CONTOUR | bidet system for concealed installation

Finish: polished chrome (CR)

The OMNIRES CONTOUR collection intrigues with its extravagant form and decorative details. An austere, architectural design with a diamond milling marvels with the sophisticated combination of textures and perfect workmanship.

Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge.

Chrome is a versatile finishing in a silvery colour, with the perfectly even and lustrous surface.

Design: Paulina Shacalis, OMNIRES Studio
Awards: Red Dot Design Award, Must Have
Distinctions: Dobry Wzór

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

The product's coating, made using advanced galvanization technology, is durable and easy to clean.

The mixer's body, the valve and the rosette are all made of high quality A-grade brass.

Flow characteristics
