OMNIRES

LAREDO | ceramic countertop basin, 61 x 37 cm

Finish: gloss white (BP)

The OMNIRES LAREDO countertop basin features an elliptical design. The tapered shape gives the impression of lightness while taking up less space on the countertop.

The basin is made of the highest quality ceramic. White gloss is a classic finish with a gleaming surface naturally reflecting the light.

Certificates: European Declaration of Performance (CE marking), Polish Hygienic Certificate PZH

Technologies

The basin is made of the highest quality ceramic characterised by good hygienic properties.

Specification

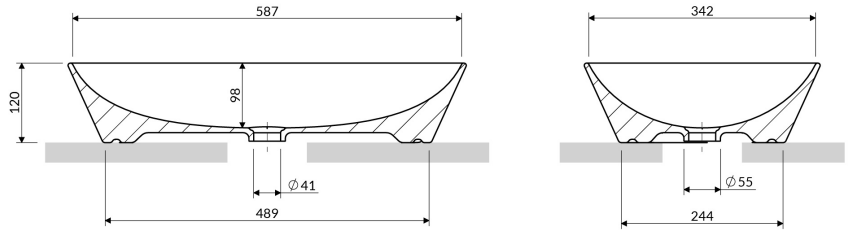

- length: 61 cm
- width: 37 cm
- height: 12 cm
- no overflow
- basin waste not included A82CR
- capacity: 9,59 l
- net weight: 7,695 kg
- gross weight: 8,55 kg

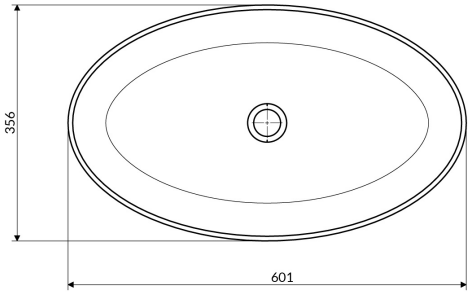

Product care

HOW TO PROTECT AND CLEAN COMPOSITE AND CERAMIC PRODUCTS?

Products made from M+ composite material and ceramics should be cleaned regularly, preferably after each use, so as to prevent the build-up of hard-to-remove dirt. For daily maintenance of external surfaces, use a soft cloth (for example, a microfibre cloth) and a solution of water with a mild cleaning agent with a natural composition, then rinse the product thoroughly with clean water and wipe it dry. It is not recommended to use rough or abrasive materials and corrosive or bleaching substances to prevent damaging the surface of the product.

For more stubborn dirt, use a 10% citric acid solution with water. Apply the solution to the product for 2 to 3 minutes. After that time, rinse the product thoroughly with clean water and wipe it dry. If necessary, the process can be repeated. Residues from hair dye, lipstick or other products with a dyeing effect should be removed from the surface immediately to prevent the formation of permanent marks.
