EAN: 5902539863475

OMNIRES

TULSA | ceramic countertop basin, ø36 cm

Finish: matt white (BM)

The OMNIRES TULSA countertop basin has a geometric silhouette based on the circle. The basin is characterised by a light and subtle design, which is enhanced by the straight and thin edges of the bowl and the delicate curvature of the base.

The basin is made of the highest quality ceramic material. White matt is a contemporary finish that is silky-smooth to the touch.

Certificates: European Declaration of Performance (CE marking), Polish Hygienic Certificate PZH

Technologies

The basin is made of the highest quality ceramic characterised by good hygienic properties.

Specification

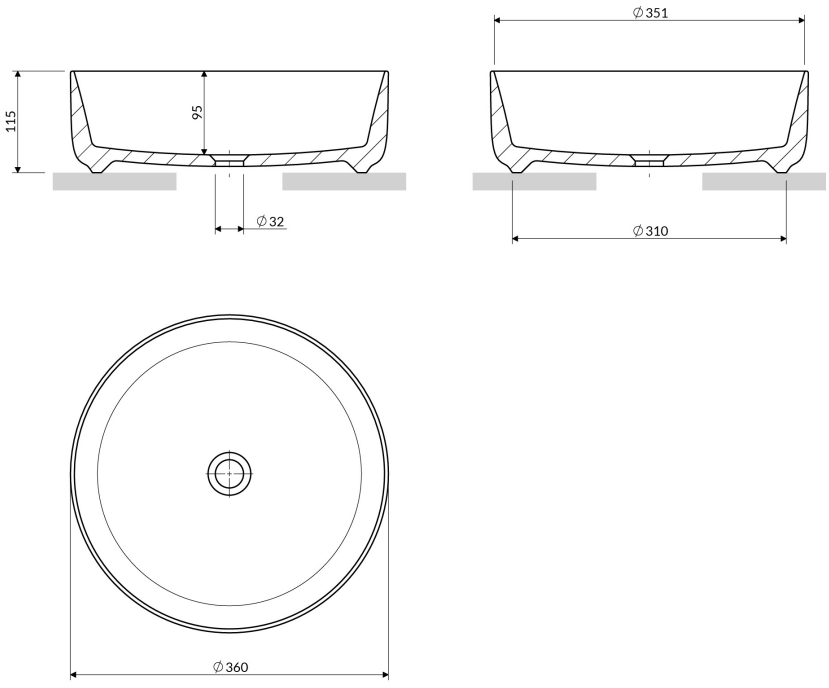

- diameter: ø36 cm
- height: 11.5 cm
- no overflow
- basin waste not included A82CR
- capacity: 7,66 l
- net weight: 6,982 kg
- gross weight: 7,758 kg

Product care

HOW TO PROTECT AND CLEAN COMPOSITE AND CERAMIC PRODUCTS?

Products made from M+ composite material and ceramics should be cleaned regularly, preferably after each use, so as to prevent the build-up of hard-to-remove dirt. For daily maintenance of external surfaces, use a soft cloth (for example, a microfibre cloth) and a solution of water with a mild cleaning agent with a natural composition, then rinse the product thoroughly with clean water and wipe it dry. It is not recommended to use rough or abrasive materials and corrosive or bleaching substances to prevent damaging the surface of the product.

For more stubborn dirt, use a 10% citric acid solution with water. Apply the solution to the product for 2 to 3 minutes. After that time, rinse the product thoroughly with clean water and wipe it dry. If necessary, the process can be repeated. Residues from hair dye, lipstick or other products with a dyeing effect should be removed from the surface immediately to prevent the formation of permanent marks.
