

ATLANTA | countertop basin, 51 x 39 cm

Finish: gloss white (BP)

The OMNIRES ATLANTA countertop basin is defined by its oval shape and the elegant curvature of the bowl. The gently rounded edges provide the design with a subtle character. The elliptical form of the bowl is divided by a straight ledge, which creates a functional space that can be complemented by a standing basin mixer.

The basin is made of the highest quality ceramic material. White gloss is a classic finish with a gleaming surface naturally reflecting the light.

Certificates: European Declaration of Performance (CE marking), Polish Hygienic Certificate PZH

Technologies

The basin is made of the highest quality ceramic characterised by good hygienic properties.
