OMNIRES

MODERN PROJECT | countertop soap dispenser

Finish: brushed nickel (NI)

MODERN PROJECT accessories collection has a solid clean form and minimalist design. The perfectly defined, circle-based shapes give the collection a timeless and modern look.

The liquid soap dispenser, designed to elevate everyday rituals in both the kitchen and the bathroom, offers the perfect balance of functionality and style. It helps maintain order while ensuring comfort and flexibility of arrangement. Its versatile installation – whether on a countertop, basin or kitchen sink – provides full freedom in design. Thoughtfully coordinated with the colour finishes of OMNIRES fittings, the dispenser integrates seamlessly into your interior, while its ergonomic design guarantees quick, effortless access to soap or washing-up liquid whenever needed.

Nickel is an industrial finishing in a silvery colour, with a satin, brushed surface. The product is coated using the advanced PVD technology.

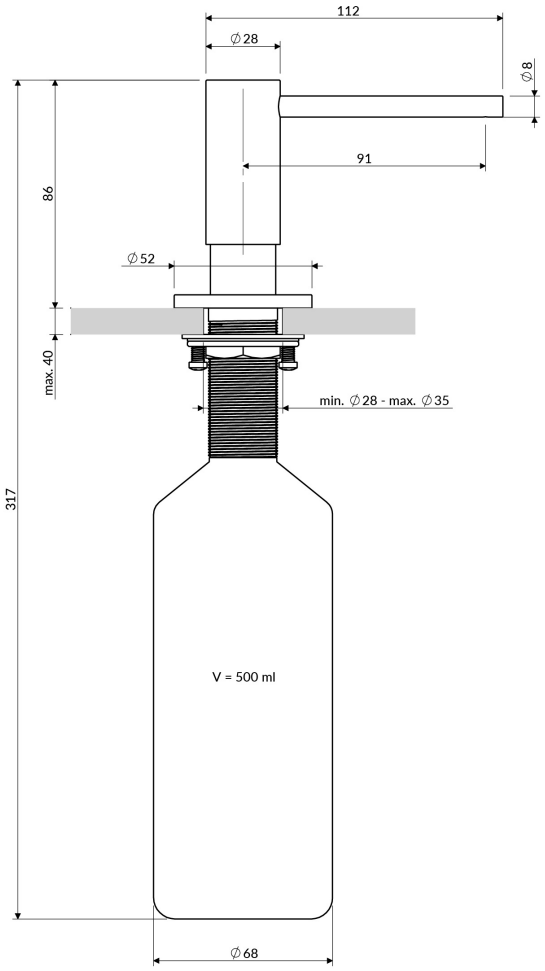

Technologies

The product is coated using the advanced PVD technology which guarantees the highest possible durability and facilitates cleaning.

The product is made of high quality A-grade brass.
