## MODERN PROJECT | free-standing toilet roll and brush holder

#### Finish: brushed gold (GLB)

Made of durable stainless steel, the multifunctional toilet stand offers a practical solution for optimal space organisation. The stand combines the functionality of a toilet brush, toilet roll holder, and integrated shelf, keeping all essential accessories neatly in one place. The shelf provides a convenient place for hygiene products or small items, increasing the comfort of daily rituals and eliminating the need to install additional accessories.

Brushed gold is a noble finishing in an elegant shade, with a contemporary, satin surface. The product is coated using the advanced PVD technology.

## **Technologies**

The product is coated using the advanced PVD technology which guarantees the highest possible durability and facilitates cleaning.
