MODERN PROJECT | free-standing toilet roll and brush holder with a shelf

Finish: brushed graphite (GR)

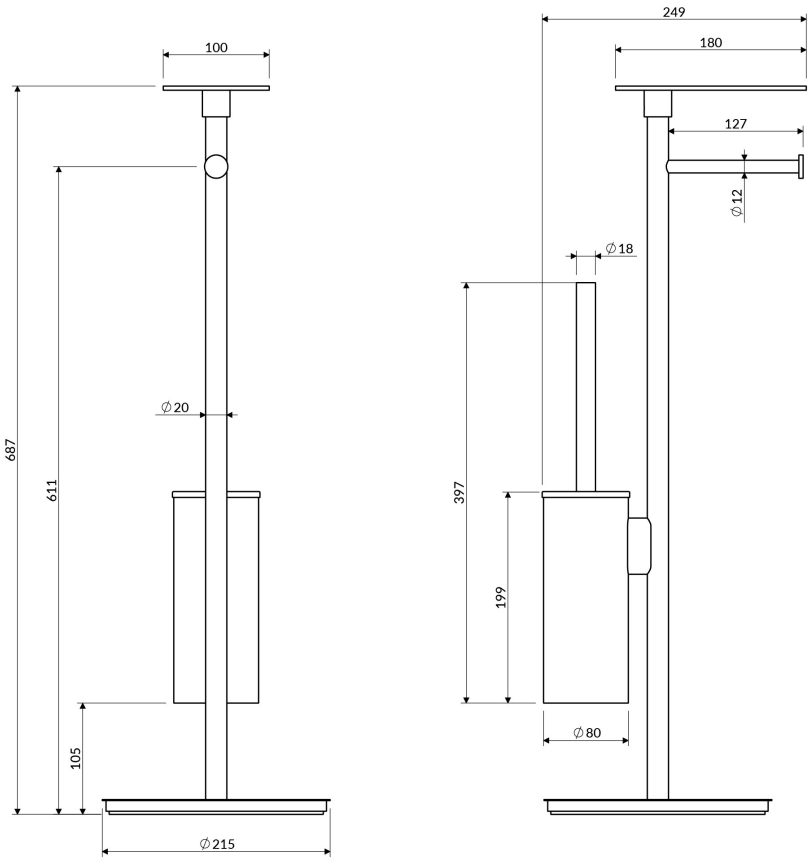

MODERN PROJECT accessories collection has a solid clean form and minimalist design. The perfectly defined, circle-based shapes give the collection a timeless and modern look.

Made of durable stainless steel, the multifunctional toilet stand offers a practical solution for optimal space organisation. The stand combines the functionality of a toilet brush, toilet roll holder, and integrated shelf, keeping all essential accessories neatly in one place. The shelf provides a convenient place for hygiene products or small items, increasing the comfort of daily rituals and eliminating the need to install additional accessories.

Graphite is an intriguing finishing in the shade of metallic grey, with a satin, brushed surface.
