

X3 | kitchen tap with pull-out spout

Finish: polished chrome (CR)

The OMNIRES X3 kitchen tap's slender design with subtle detailing combines reliability and power. The above-average height of 45 cm makes the mixer's use more comfortable, while the detachable swivel spout allows for flexibility of reach. The two-function sprayer offers a variable water stream at the push of a button. Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge. Innovative technological solutions reduce water consumption by 50% while offering comfort and ease of use.

Chrome is a versatile finishing in a silvery colour, with the perfectly even and lustrous surface.

Certificates: Polish Declaration of Performance (B marking), Polish Hygienic Certificate PZH

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

The product's coating, made using advanced galvanization technology, is durable and easy to clean.

The mixer's body is made of high quality A-grade brass.
