

STRONG | self-adhesive hook

Finish: chrome (CR)

STRONG accessories collection features a light and timeless style. The simplicity and a non-imposing form create the effect of classic elegance. Accessories are self-adhesive and ensure an easy and safe installation, with no need to drill holes.

Chrome is a versatile finishing in a silvery colour, with the perfectly even and lustrous surface.

Technologies

Fittings and accessories made of high quality stainless steel are characterized by exceptional resistance to damage and long term product performance.
