

CONTOUR | shower/bath mixer for concealed installation with integrated hand shower

Finish: anthracite (AT)

The OMNIRES CONTOUR collection intrigues with its extravagant form and decorative details. An austere, architectural design with a diamond milling marvels with the sophisticated combination of textures and perfect workmanship.

Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge.

Anthracite is a modern finishing in a deep metallic shade, with a satin, brushed surface. The product is coated using the advanced PVD technology.

Design: Paulina Shacalis, OMNIRES Studio
Awards: Red Dot Design Award, Must Have
Distinctions: Dobry Wzór

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

The EASY CLEAN nozzles allow the user to easily remove any limescale build up by simply wiping their silicone surface.

The product is coated using the advanced PVD technology which guarantees highest possible durability, offers exceptional resistance to damage and facilitates cleaning.

The mixer's body, the valve and the rosette are all made of high quality A-grade brass.

Flow characteristics

- water flow at 3 bar: 26 l/min
- hot water supply: max. 90 °C
- working pressure 1-5 bar

Specification

- rosette dimensions: 28 x 8 cm
- minimum wall depth: 7 cm
- two 1/2" inlets (hot and cold water), two 1/2" outlets for mixed water
- brass hand shower, 1-function
- stainless steel flexible shower hose, length: 150 cm
- built-in parts included
