

ARMANCE | shower head, ø23 cm

Finish: brushed antique copper (ORB)

The OMNIRES ARMANCE collection features modern form with creative references to traditional style. It stands out thanks to its perfect design, decorative details and its romantic aesthetics.

Antique copper is an expressive finishing in a red-brown shade, with brushed texture and vintage character.

Certificates: Polish Declaration of Performance (B marking), Polish Hygienic Certificate PZH

Technologies

The shower head is made using the ANTI-SCALE technology. It incorporates a silicone insert that prevents internal water stagnation. Occasional tilting of the shower head, so that any stagnant water could flow out through the nozzles, guarantees long term product performance.

The EASY CLEAN nozzles allow the user to easily remove any limescale build up by simply wiping their silicone surface.

The product is made of high quality A-grade brass.

Flow characteristics

- water flow at 3 bar: 19 l/min
- working pressure 1-5 bar
- noise class: N

Specification

- dimensions: $\varnothing 22.5$ cm, thickness: 3.6 cm
- 1-function
- 1/2" water connection
- flow rate: ~ 19 l/min.
