

ARMANCE | shower system for concealed installation

Finish: brushed brass (BSB)

The OMNIRES ARMANCE collection features modern form with creative references to traditional style. It stands out thanks to its perfect design, decorative details and its romantic aesthetics.

Brushed brass is a sophisticated finish with a cool gold hue and satin brushed surface. The product is coated using advanced PVD technology.

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

The EASY CLEAN nozzles allow the user to easily remove any limescale from the shower head and the hand shower by simply wiping their silicone surface.

The product is made of high quality A-grade brass.

The shower head is made using the ANTI-SCALE technology. It incorporates a silicone insert that prevents internal water stagnation. Occasional tilting of the shower head, so that any stagnant water could flow out through the nozzles, guarantees long term product performance.

The product is coated using the advanced PVD technology which guarantees highest possible durability, offers exceptional resistance to damage and facilitates cleaning.

Produkt jest objęty gwarancją na okres 5 lat. Poznaj szczegóły.
