

## ARMANCE | shower system for concealed installation

---

Finish: gold (GL)

The OMNIRES ARMANCE collection features modern form with creative references to traditional style. It stands out thanks to its perfect design, decorative details and its romantic aesthetics.

Brushed gold is a sophisticated finishing in an elegant shade, with a contemporary, satin surface. The product is coated using the advanced PVD technology.

## Technologies

---

The shower head is made using the ANTI-SCALE technology. It incorporates a silicone insert that prevents internal water stagnation. Occasional tilting of the shower head, so that any stagnant water could flow out through the nozzles, guarantees long term product performance.

The EASY CLEAN nozzles allow the user to easily remove any limescale from the shower head and the hand shower by simply wiping their silicone surface.

The product is coated using the advanced PVD technology which guarantees highest possible durability, offers exceptional resistance to damage and facilitates cleaning.

The product is made of high quality A-grade brass.

Produkt jest objęty gwarancją na okres 5 lat.
