

PARMA | shower system for concealed installation

Finish: brushed graphite (GR)

The OMNIRES PARMA collection stands out with its minimalist, elegant design. A well-balanced form with rounded edges proves light and subtle. Well thought-out solutions give the collection a timeless character.

Graphite is an intriguing finishing in the shade of metallic grey, with a satin, brushed surface.

Design: Janusz Langner, OMNIRES Studio

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch, enhancing the overall showering experience.

The shower head is made using the ANTI-SCALE technology. It incorporates a silicone insert that prevents internal water stagnation. Occasional tilting of the shower head, so that any stagnant water could flow out through the nozzles, guarantees long term product performance.

The EASY CLEAN nozzles allow the user to easily remove any limescale from the shower head by simply wiping their silicone surface.

The mixer's body is made of high quality A-grade brass.

Flow characteristics

- hot water supply: max. 90 °C

Specification

- shower/bath mixer for concealed installation (PM7435GR)
- brass shower head (WG220-OGR), AIR WATER techn., dimensions: 20 x 20 cm
- brass shower arm (RA15GR)
- hand shower (JIMJIM-RGR), 3-function, streams: rain, whip, mixed
- stainless steel flexible shower hose (O23-XGR), length: 150 cm
- brass shower elbow with a hand shower bracket (8815GR)
