

Y | sink mixer for concealed installation

Finish: gold (GL)

The OMNIRES Y kitchen sink mixer, with its clean line and impeccable form, expresses the passion in pursuit of the ideal. Its timeless and perfectly refined design, created in the spirit of minimalism, offers countless design possibilities. The mixer is fitted with a swivel spout, which enhances its functionality. Its space-efficient, concealed installation facilitates cleaning.

Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge. Innovative technological solutions ensure the highest comfort of use and reduce water consumption by 50%.

Gold is a noble finishing in an elegant, light shade and a perfectly smooth and shiny surface. The product is coated using the advanced PVD technology.

Design: Janusz Langner, OMNIRES Studio

Certificates: Polish Declaration of Performance (B marking)

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

The ECO WATER technology minimizes environmental footprint by reducing the water consumption by approx. 50%, without compromising on the overall product experience.

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch. The stream does not spray and it is quiet and consistent, even if any variations in water pressure occur.

The product is coated using the advanced PVD technology which guarantees highest possible durability, offers exceptional resistance to damage and facilitates cleaning.

The mixer's body, the valve and the rosette are all made of high quality A-grade brass.

Dziesięć lat gwarancji na szczelność korpusu w bateriach łazienkowych.

Flow characteristics

- water flow at 3 bar: 8.39 l/min
- hot water supply: max. 90 °C
- noise class: II

Specification

- swivel spout
- rosette dimensions: $\varnothing 9$ cm
- spout reach: 29 cm
- minimum wall depth: 4.5 cm
- built-in parts included
