

MODERN PROJECT | soap dispenser

Finish: brushed nickel (NI)

Universal form of the product allows it to be easily combined with products from other collections of bathroom accessories.

Nickel is an industrial finishing in a silvery colour, with a satin, brushed surface. The product is coated using the advanced PVD technology.

Technologies

The product is coated using the advanced PVD technology which guarantees the highest possible durability and facilitates cleaning.

The product is made of high quality A-grade brass.
