

Y | thermostatic shower/bath mixer for concealed installation, excluding built-in part

Finish: brushed gold (GLB)

The OMNIRES Y collection thrills with its simple line and an impeccable form which expresses the passion in pursuit for the ideal. The design has been inspired by and based on the shape of a circle. Its timeless and perfectly refined design, created in the spirit of minimalism, offers the maximum of interior design options. To make a complete mixer, you should buy a dedicated built-in part: BOXTE2F.

Brushed gold is a noble finishing in an elegant shade, with a contemporary, satin surface. The product is coated using the advanced PVD technology.

Design: Janusz Langner, OMNIRES Studio

Technologies

The product is coated using the advanced PVD technology which guarantees highest possible durability, offers exceptional resistance to damage and facilitates cleaning.
