

CONTOUR | 5-hole bath mixer for concealed installation

Finish: brushed anthracite (AT)

The OMNIRES CONTOUR bath mixer for concealed installation with integrated hand shower intrigues with its extravagant form and decorative details. An austere, architectural design with a diamond milling marvels with the sophisticated combination of textures and perfect workmanship. Thanks to its symmetric form, the bath mixer and the bath are perfectly tuned, creating a harmonious composition. The concealed installation guarantees the economy of space and the ease of cleaning.

Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge.

Anthracite is a modern finishing in a deep metallic shade, with a satin, brushed surface. The product is coated using the advanced PVD technology.

Design: Paulina Shacalis, OMNIRES Studio
Awards: Red Dot Design Award, Must Have

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch. The stream does not spray and it is quiet and consistent, even if any variations in water pressure occur.

The EASY CLEAN nozzles allow the user to easily remove any limescale build up by simply wiping their silicone surface.

The product is coated using the advanced PVD technology which guarantees the highest possible durability and facilitates cleaning.

The mixer's body, the valve and the rosette are all made of high quality A-grade brass.

Flow characteristics

- water flow at 3 bar: 26 l/min
- hot water supply: max. 90 °C
