

PARMA | bath system for concealed installation

Finish: brushed graphite (GR)

The OMNIRES PARMA collection stands out with its minimalist, elegant design. A well-balanced form with rounded edges proves light and subtle. Well thought-out solutions give the collection a timeless character.

Graphite is an intriguing finishing in the shade of metallic grey, with a satin, brushed surface.

Design: Janusz Langner, OMNIRES Studio

Certificates: Polish Declaration of Performance (B marking)

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch. The stream does not spray and it is quiet and consistent, even if any variations in water pressure occur.

The EASY CLEAN nozzles allow the user to easily remove any limescale from the hand shower by simply wiping their silicone surface.

The mixer's body is made of high quality A-grade brass.

Flow characteristics

- working pressure 1-10 bar
- hot water supply: max. 90 °C
- water flow at 3 bar: 20 l/min

Specification

- shower/bath mixer for concealed installation (PM7435GR)
