

FRESH | bidet mixer

Finish: chrome (CR)

The OMNIRES FRESH collection constitutes the essence of minimalism. The design, inspired primarily by architecture, is based on structures with distinctive contours. The collection marvels with precisely defined edges, responsible for its unique, distinctive look.

Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge.

Chrome is a versatile finishing in a silvery colour, with the perfectly even and lustrous surface.

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

The FLOW CONTROL system allows the user to minimize water consumption by manually restricting the mixer's water flow.

The ANTI-BURN system allows the user to set the maximum temperature of the water, ensuring 100% protection against possible scalding. Solution was developed with children in mind.

The product is coated using the advanced electroplating technology which guarantees durability, offers good resistance to mechanical damage and facilitates cleaning.

The mixer's body is made of high quality A-grade brass.
