OMNIRES

FONTANA | ceramic wall-mounted bidet, 49 x 35 cm

Finish: gloss white (BP)

The OMNIRES FONTANA wall-hung bidet catches the eye with its original, contoured form derived from geometry. Its modern silhouette combines smooth surfaces with gentle curves. The delicate tapering of the bowl towards the bottom adds tangible lightness to this expressive design.

White gloss is a classic finish with a gleaming surface naturally reflecting the light.

HOW TO PROTECT AND CLEAN COMPOSITE AND CERAMIC PRODUCTS?

Products made from M+ composite material and ceramics should be cleaned regularly, preferably after each use, so as to prevent the build-up of hard-to-remove dirt. For daily maintenance of external surfaces, use a soft cloth (for example, a microfibre cloth) and a solution of water with a mild cleaning agent with a natural composition, then rinse the product thoroughly with clean water and wipe it dry. It is not recommended to use rough or abrasive materials and corrosive or bleaching substances to prevent damaging the surface of the product.

For more stubborn dirt, use a 10% citric acid solution with water. Apply the solution to the product for 2 to 3 minutes. After that time, rinse the product thoroughly with clean water and wipe it dry. If necessary, the process can be repeated. Residues from hair dye, lipstick or other products with a dyeing effect should be removed from the surface immediately to prevent the formation of permanent marks.
