OMNIRES

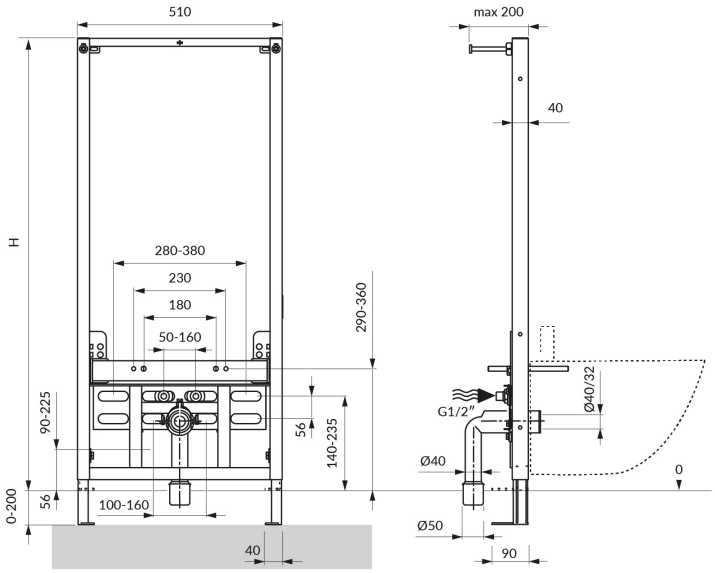

STRONGFRAME | concealed frame for a wall-mounted bidet

The OMNIRES STRONGFRAME concealed frame for bidet installation is a functional solution designed to combine aesthetics with everyday comfort. Suitable for wall-mounted or stud wall applications, it offers flexibility to adapt to different types of bathroom layouts. Its compact design facilitates installation even in limited spaces, while the adjustable anchoring legs enable precise customisation to individual requirements. Two fittings connections ensure compatibility with a wide range of bidet bowls and mixers, allowing for a convenient and reliable installation.
