

MINIMAL | flush plate

Finish: polished copper (CP)

The OMNIRES MINIMAL dual flush plate was designed for simple and intuitive installation.

Its slim design seamlessly integrates into the wall, while the round shape of the buttons and perfectly balanced proportions offer exceptional comfort in daily use. Intuitive markings make it easy to select the right flush volume, tailored to individual needs, ensuring both water savings and greater comfort with every use.

Polished copper is a sophisticated finish with a warm red-brown hue and a perfectly smooth, lustrous surface. The product is coated using advanced PVD technology.

Technologies

Thanks to the innovative flushing technology, the water consumption is minimised.

The flush plate is coated using advanced PVD technology, which guarantees the highest possible durability and facilitates cleaning.
