MODERN PROJECT | free-standing toilet roll and brush holder

Finish: brushed anthracite (AT)

Made of durable stainless steel, the multifunctional toilet stand offers a practical solution for optimal space organisation. The stand combines the functionality of a toilet brush, toilet roll holder, and integrated shelf, keeping all essential accessories neatly in one place. The shelf provides a convenient place for hygiene products or small items, increasing the comfort of daily rituals and eliminating the need to install additional accessories.

Anthracite is a modern finishing in a deep metallic shade, with a satin, brushed surface. The product is coated using the advanced PVD technology.

Technologies

The product is coated using the advanced PVD technology which guarantees the highest possible durability and facilitates cleaning.
