Product code: PS07CR
EAN: 5907587627710

OMNIRES

HAND SHOWER | kitchen sink hand shower

Finish: polished chrome (CR)

Certificates: Polish Declaration of Performance (B marking), Polish Hygienic Certificate PZH

Technologies

The product's coating, made using advanced galvanization technology, is durable and easy to clean.

Flow characteristics

- water flow at 3 bar: 8.39 l/min
- working pressure 1-5 bar
- acoustic group: II/N

Specification

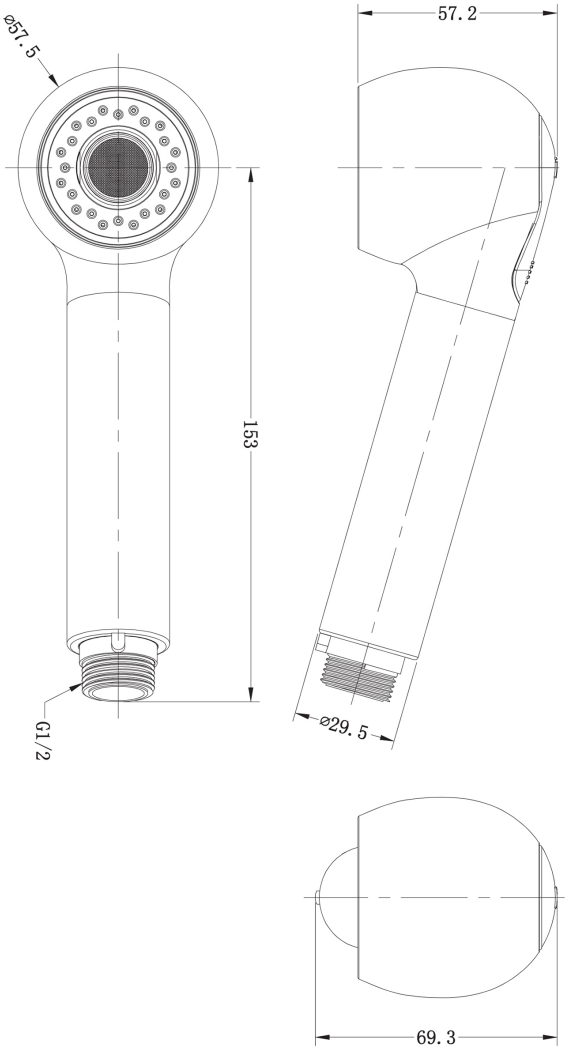

- 2-function
- streams: whip, dispersed
- aerator

Product care

WHAT IS THE BEST WAY TO CARE FOR A HAND SHOWER ?

Remember to regularly wipe the silicone nozzles with your hand to remove any limescale deposits that might be forming on their surface. A toothpick or toothbrush can also be used to clean the spaces in between if there is a considerable build-up of limescale.

For more stubborn dirt, it is recommended to immerse the hand shower in a 10% citric acid solution with water for about 10 minutes to soften the limescale and then wipe across the nozzles with a soft brush. It is not recommended to use rough or abrasive materials and corrosive or bleaching substances to prevent damaging the surface of the product. From time to time, it is recommended to unscrew the hand shower and flush it from the inside to remove any dirt preventing the flow of water.
