

BEND | kitchen tap with pull-out spout

Finish: polished copper (CP)

The OMNIRES BEND kitchen tap is distinguished by its stunning, minimalist form inspired by circles and arches. The mixer with a height of 44.9 cm, equipped with a pull-out swivel spout with a two-function sprayer, increases the reach of the water stream and the mixer's ease of use. Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge. Innovative technological solutions ensure the highest comfort of use and reduce water consumption by 50%.

Copper is a sophisticated finish with a warm red-brown hue and a perfectly smooth, lustrous surface. The product is coated using advanced PVD technology.

Technologies

High quality ceramic and thermostatic cartridges ensure smooth and precise water flow control, whilst guaranteeing safety and long term product performance.

The ECO WATER technology minimizes environmental footprint by reducing the water consumption by approx. 50%, without compromising on the overall product experience.

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch. The stream does not spray and it is quiet and consistent, even if any variations in water pressure occur.

Coatings applied using advanced PVD technology guarantee the highest possible durability and effortless cleaning.

The mixer's body, the valve and the rosette are all made of high quality A-grade brass.

Flow characteristics

- working pressure 1-5 bar

Specification

- swivel, pull-out spout
- spout reach: 24.8 cm
- water outflow height: 20.5 cm
- total mixer height: 44.9 cm
- 2-function hand shower
