

BEND | kitchen tap with pull-out spout

Finish: polished chrome (CR)

The OMNIRES BEND kitchen tap is distinguished by its stunning, minimalist form inspired by circles and arches. The mixer with a height of 44.9 cm, equipped with a pull-out swivel spout with a two-function sprayer, increases the reach of the water stream and the mixer's ease of use. Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge. Innovative technological solutions ensure the highest comfort of use and reduce water consumption by 50%.

Chrome is a versatile finishing in a silvery colour, with the perfectly even and lustrous surface.

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

The ECO WATER technology minimizes environmental footprint by reducing the water consumption by approx. 50%, without compromising on the overall product experience.

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch. The stream does not spray and it is quiet and consistent, even if any variations in water pressure occur.

The product's coating, made using advanced galvanization technology, is durable and easy to clean.

The mixer's body, the valve and the rosette are all made of high quality A-grade brass.
