

VITA | kitchen tap with pull-out spout

Finish: polished chrome / matt black

OMNIRES VITA kitchen tap combines perfect form with maximum functionality. Its modern, minimalist design makes use of a semicircular arch. The swivel spout with a sprayer can be detached to effortlessly direct the water stream. The upper part of the spout is made of flexible rubber in black. The total height of the mixer is 44 cm, which considerably enhances its functionality. Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge. Innovative technological solutions reduce water consumption by 50% while offering comfort and ease of use.

The matt black and chrome combination balances the expressive, velvety matt surface with a silvery, perfectly smooth, gleaming finish.

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

The ECO WATER technology minimizes environmental footprint by reducing the water consumption by approx. 50%, without compromising on the overall product experience.

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch. The stream does not spray and it is quiet and consistent, even if any variations in water pressure occur.

The mixer's body is made of high quality A-grade brass.
