

Y | kitchen tap

Finish: brushed brass (BSB)

The OMNIRES Y kitchen tap, with its clean line and impeccable form, expresses the passion in pursuit of the ideal. Its timeless and perfectly refined design, created in the spirit of minimalism, offers countless design possibilities. The mixer is fitted with a swivel spout, which enhances its functionality.

Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge. Innovative technological solutions ensure the highest comfort of use and reduce water consumption by 50%.

Brushed brass is a sophisticated finish with a cool gold hue and satin brushed surface. The product is coated using the advanced PVD technology.

Design: Janusz Langner, OMNIRES Studio

Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

The ECO WATER technology minimizes environmental footprint by reducing the water consumption by approx. 50%, without compromising on the overall product experience.

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch. The stream does not spray and it is quiet and consistent, even if any variations in water pressure occur.

The product is coated using the advanced PVD technology which guarantees the highest possible durability and facilitates cleaning.

The mixer's body is made of high quality A-grade brass.

Flow characteristics

- hot water supply: max. 90 °C
- working pressure 1-10 bar

Specification

- swivel spout
- spout reach: 21 cm
- water outflow height: 24 cm
- total mixer height: 36.5 cm
