

SLIDE | shower/bath mixer for concealed installation

Finish: brushed graphite (GR)

The OMNIRES SLIDE collection stands out with its avant-garde form. Soft lines become subject to geometrical discipline. Surfaces bend at the play of light, adding a unique touch to the entire collection.

Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge.

Graphite is an intriguing finishing in the shade of metallic grey, with a satin, brushed surface.
