

SLIMLINE | shower head, 20 x 20 cm

Finish: polished chrome / white (CRB)

Shower head internally lined with rubber offering additional protection against damage.

Certificates: Polish Declaration of Performance (B marking), Polish Hygienic Certificate PZH

Technologies

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch, enhancing the overall showering experience.

The EASY CLEAN nozzles allow the user to easily remove any limescale build up by simply wiping their silicone surface.

The product is made of high quality A-grade brass.

The shower head is made using the ANTI-SCALE technology. It incorporates a silicone insert that prevents internal water stagnation. Occasional tilting of the shower head, so that any stagnant water could flow out through the nozzles, guarantees long term product performance.

The product's chrome-plated coating, made using advanced galvanization technology, is durable and easy to clean.

Flow characteristics

- water flow at 3 bar: 18 l/min
- working pressure 1-5 bar
- noise class: II

Specification

- brass
- dimensions: 20 x 20 cm, thickness: 0.9 cm
- 1-function
- 1/2" water connection
- flow rate: ~18.5 l/min.
