

OCEAN | shower head, ø25 cm

Finish: polished chrome (CR)

Shower head features the Air system, which reduces water consumption by mixing water with air. The showering experience is enhanced as the aerated water feels silky smooth on skin.

Certificates: Polish Declaration of Performance (B marking), Polish Hygienic Certificate PZH

Technologies

Developed to minimise environmental footprint, the ECO WATER technology reduces water consumption by approx. 30% without compromising on the overall product experience.

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch, enhancing the overall showering experience.

The shower head is made using the ANTI-SCALE technology. It incorporates a silicone insert that prevents internal water stagnation. Occasional tilting of the shower head, so that any stagnant water could flow out through the nozzles, guarantees long term product performance.

The EASY CLEAN nozzles allow the user to easily remove any limescale build up by simply wiping their silicone surface.

Flow characteristics

- water flow at 3 bar: 15 l/min
- working pressure 1-5 bar
- noise class: U

Specification

- dimensions: $\varnothing 25$ cm, thickness: 1.3 cm
- 1-function
- 1/2" water connection
- flow rate: ~ 15 l/min.
