

UNI | shower squeegee with wall-mounting bracket

Finish: brushed nickel (NI)

The shower squeegee, crafted from high-quality metal and finished with a soft, flexible edge, ensures efficient and precise removal of water and residue from glass and tile surfaces. Its ergonomically shaped handle provides optimal comfort, while the practical wall-mounted bracket keeps the tool neatly stored and always within reach. With its versatile design, the squeegee pairs effortlessly with accessories from other OMNIRES collections.

Nickel is an industrial finishing in a silvery colour, with a satin, brushed surface. The product is coated using the advanced PVD technology.

Technologies

The product is coated using the advanced PVD technology which guarantees the highest possible durability and facilitates cleaning.
