OMNIRES

KENTON | single panel bath screen, 70 cm

Finish: polished chrome / transparent glass (CRTR)

The OMNIRES KENTON bath screen is a smart solution that seamlessly transforms a bathtub into a comfortable shower enclosure. Its dual-opening system ensures everyday convenience and freedom of use, while transparent glass visually enlarges the space and subtly defines the bathing area. With its simple, timeless design, it brings a sense of harmony to the interior and enhances the visual consistency of the arrangement.
Certificates: European Declaration of Performance (CE marking)

Technologies

Tempered safety glass with the innovative 3M™EASY CLEAN coating prevents water and dirt build-up and is easy to clean.

Thanks to the DUAL MOUNT system, the bath screen may be installed on either side.

Specification

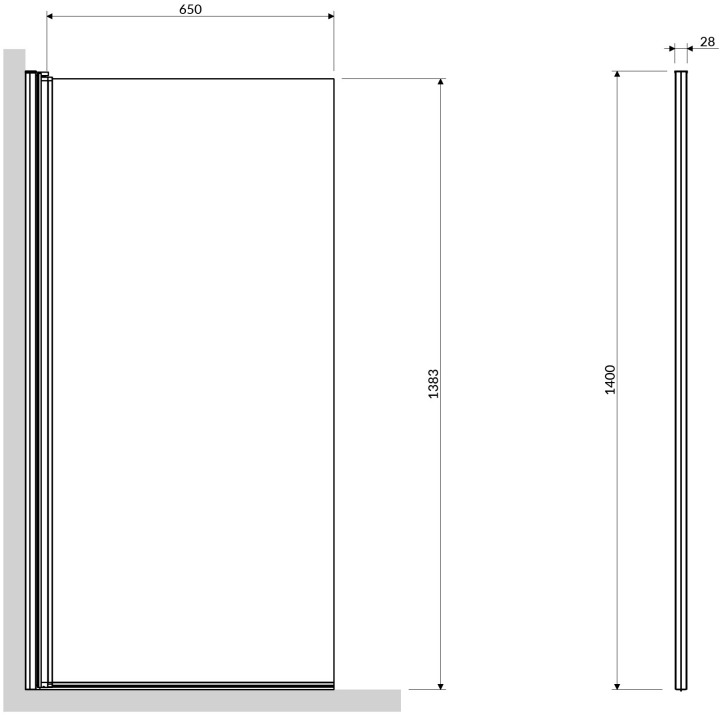

- width: 70 cm
- height: 140 cm
- opening to both sides
- tempered safety glass, thickness: 4 mm
- special hinges with a lifting system
- aluminium profile

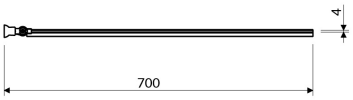

Product care

WHAT IS THE MOST EFFECTIVE WAY TO CLEAN A SHOWER ENCLOSURE?

The glass walls of the shower enclosure should be cleaned regularly, preferably after each use, using a soft cloth (for example, a microfibre cloth) and a solution of water with a mild cleaning agent with a natural composition. After cleaning the enclosure, rinse the inner glass surface thoroughly and remove any remaining water with a rubber squeegee or soft cloth. You can clean the outer side of the glass walls using a mirror or glass cleaner. It is important to avoid using rough, abrasive materials and caustic or bleaching substances to prevent damaging the surface of the glass.

To tackle stubborn dirt or limescale deposits, you can use cleaning agents dedicated to shower enclosures. It is recommended to lubricate hinges, joints, guide tracks and rollers at least once a year using technical lubricant or silicone grease to ensure their smooth operation.
