## Y | sink mixer

### Finish: polished chrome (CR)

The OMNIRES Y kitchen sink mixer, with its clean line and impeccable form, expresses the passion in pursuit of the ideal. Its timeless and perfectly refined design, created in the spirit of minimalism, offers countless design possibilities. The mixer is fitted with a swivel spout, which enhances its functionality.

Made of high grade brass, the mixer is equipped with a superior quality ceramic cartridge. Innovative technological solutions ensure the highest comfort of use and reduce water consumption by 50%.

Chrome is a versatile finishing in a silvery colour, with the perfectly even and lustrous surface.

Design: Janusz Langner, OMNIRES Studio

## Technologies

The mixer is equipped with the highest quality ceramic cartridge which ensures smooth and precise water flow control whilst guaranteeing long term product performance.

The product's coating, made using advanced galvanization technology, is durable and easy to clean.

The mixer's body is made of high quality A-grade brass.

Thanks to the AIR WATER technology, the water is soft and pleasant to the touch. The stream does not

spray and it is quiet and consistent, even if any

variations in water pressure occur.

## Flow characteristics

- hot water supply: max. 90 °C
- working pressure 1-10 bar

# OMNIRES

## Specification

- swivel spout
- spout reach: 21 cm
- water outf low height: 24 cm
- total mixer height: 36.5 cm
