OMNIRES

STEEL-R45 | stainless steel flush plate

Finish: polished chrome (CR)

The OMNIRES STEEL-R45 dual flush plate combines meticulous detailing, durable materials, and exceptional everyday comfort of use. Made of high-quality stainless steel, it offers outstanding resistance to impact, pressure and cleaning agents. Its carefully finished, pleasant-to-the-touch surface retains its elegant appearance and performance over time. The contemporary design integrates seamlessly with the wall surface, while the softly rounded buttons and perfectly balanced proportions ensure effortless operation. Intuitive markings allow easy selection of the appropriate flush volume, supporting water efficiency and comfort with every use. Designed for use with OMNIRES STRONGFRAME concealed frames, it forms a perfectly integrated system that combines reliable performance with a clean, harmonious aesthetic.

Polished chrome is a versatile finish in a silvery colour, with a perfectly smooth and lustrous surface.

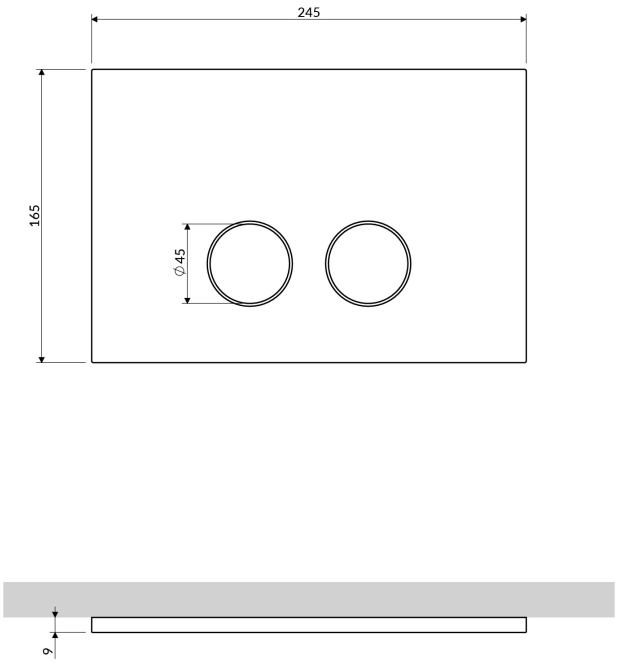

Technologies

The flush plate, made of high quality stainless steel, features a perfectly crafted design and exceptional resistance to damage, preserving its appearance even after years of use.

The product's coating, made using advanced galvanization technology, is durable and easy to clean.
