

Y | thermostatic bath system for concealed installation

Finish: polished chrome (CR)

The OMNIRES Y collection thrills with its simple line and an impeccable form which expresses the passion in pursuit for the ideal. The design has been inspired by and based on the shape of a circle. Its timeless and perfectly refined design, created in the spirit of minimalism, offers the maximum of interior design options.

Chrome is a versatile finishing in a silvery colour, with the perfectly even and lustrous surface.

Design: Janusz Langner, OMNIRES Studio

Technologies

The mixer is equipped with the highest quality thermostatic cartridge incorporating a 38°C lock. The cartridge protects against sudden temperature changes and guarantees long term product performance.

The shower head is made using the ANTI-SCALE technology. It incorporates a silicone insert that prevents internal water stagnation. Occasional tilting of the shower head, so that any stagnant water could flow out through the nozzles, guarantees long term product performance.

The EASY CLEAN nozzles allow the user to easily remove any limescale from the shower head and the hand shower by simply wiping their silicone surface.

The product's coating, made using advanced galvanization technology, is durable and easy to clean.

The mixer's body, the valve and the rosette are all made of high quality A-grade brass.

Flow characteristics

- hot water supply: max. 90 °C
- working pressure 1-10 bar

Specification

- exposed element for thermostatic 3-way shower/bath mixer for concealed installation (Y1238-KROCR)
- built-in part for thermostatic 3-way shower/bath mixer (BOXTE3F)
- wall-mounted bath spout (WDYCR), spout reach: 21 cm
- shower head (WGR125CR), dimensions: $\varnothing 25$ cm
- brass shower arm (RA01K-XCR)
- hand shower (YOSEMITE-RCR) 5-function, streams: massage, mist, aerated rain, aerated massage, aerated mist
- PVC-coated flexible shower hose (SILVER-X175SL), length: 175 cm
- brass shower elbow with a hand shower bracket (8873-KCR)
