

Y | thermostatic bath system for exposed installation

Finish: gold (GL)

The OMNIRES Y collection thrills with its simple line and an impeccable form which expresses the passion in pursuit for the ideal. The design has been inspired by and based on the shape of a circle. Its timeless and perfectly refined design, created in the spirit of minimalism, offers the maximum of interior design options.

Gold is a noble finishing in an elegant, light shade and a perfectly smooth and shiny surface. The product is coated using the advanced PVD technology.

Design: Janusz Langner, OMNIRES Studio

Certificates: Polish Declaration of Performance (B marking)

Technologies

The mixer is equipped with the highest quality thermostatic cartridge incorporating a 38°C lock. The cartridge protects against sudden temperature changes and guarantees long term product performance.

The shower head is made using the ANTI-SCALE technology. It incorporates a silicone insert that prevents internal water stagnation. Occasional tilting of the shower head, so that any stagnant water could flow out through the nozzles, guarantees long term product performance.

The convenient EASY SWITCH system allows the user to easily switch water receivers through rotating the spout left or right.

The mixer's body is made of high quality A-grade brass.

Thanks to the SAFE TOUCH technology the mixer's body doesn't get hot, eliminating the risk of accidental scalding.

The EASY CLEAN nozzles allow the user to easily remove any limescale from the shower head and the hand shower by simply wiping their silicone surface.

The product is coated using the advanced PVD technology which guarantees highest possible durability, offers exceptional resistance to damage and facilitates cleaning.

Produkt jest objęty gwarancją na okres 5 lat. Poznaj szczegóły.

Flow characteristics

- hot water supply: max. 90 °C
- working pressure 1-6 bar
- noise class: II/I/II

Specification

- thermostatic bath mixer
- hot water lock at 38°C
- mixer cool down system prevents from accidental scalding
- brass shower head (WG125GL), dimensions: $\varnothing 25$ cm, reach from the wall: 42 cm
- hand shower (YOSEMITE-RGL), 5-function, streams: massage, mist, aerated rain, aerated massage, aerated mist
- stainless steel flexible shower hose (023-XGL), length: 150 cm
- shower head/hand shower stream switch embedded in the water knob
- adjustable height, minimum/maximum system height: 96 cm/150 cm
