

Y | exposed element for thermostatic shower/bath mixer for concealed installation

Finish: semi-matt black (BLH)

The OMNIRES Y collection thrills with its simple line and an impeccable form which expresses the passion in pursuit for the ideal. The design has been inspired by and based on the shape of a circle. Its timeless and perfectly refined design, created in the spirit of minimalism, offers the maximum of interior design options.

To complete the shower/bath mixer, it is necessary to additionally purchase the built-in element: BOXTE2F, equipped with a brass body and a high-quality thermostatic cartridge.

Black is an expressive, dark finishing, with a perfectly smooth, satin surface.

Design: Janusz Langner, OMNIRES Studio

Technologies

The mixer's body is made of high quality A-grade brass.

Flow characteristics

- hot water supply: max. 90 °C
- working pressure 1-10 bar
