MODERN PROJECT | toilet roll holder with a shelf

Finish: brushed nickel (NI)

MODERN PROJECT accessories collection has a solid clean form and minimalist design. The perfectly defined, circle-based shapes give the collection a timeless and modern look.

Made of high-quality, the toilet roll holder combines durability with timeless elegance, providing a stylish and practical addition to any bathroom. The integrated shelf offers convenient space for small essentials and hygiene products, keeping everything within easy reach while maintaining a neat appearance. As the direction of the arm can be adjusted, the holder can be mounted on either the left or right side, allowing flexible installation to suit any bathroom layout and personal preference.

Nickel is an industrial finishing in a silvery colour, with a satin, brushed surface. The product is coated using the advanced PVD technology.

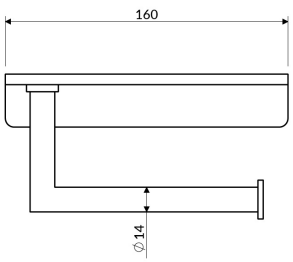

Technologies

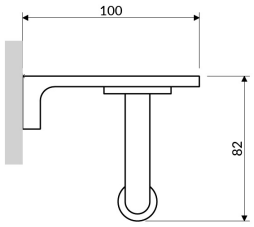

The product is coated using the advanced PVD technology which guarantees the highest possible durability and facilitates cleaning.

The product is made of high quality A-grade brass.
